A Message from the Pitt Business Alumni Association

Congratulations! Your big day has finally arrived and now you're ready to step out into the world as graduates of the Joseph M. Katz Graduate School of Business.

Today, you also become official members of the Pitt alumni family, one of more than 29,600 business graduates and 323,500 university graduates living around the globe. That means no matter where your career or adventures lead, you will always have a friend nearby.

Since the path to success is not always clear or certain, the Pitt Business Alumni Association team is here to help, whether you're looking to build your network, starting a job search, or simply seeking advice. Our alumni networks and chapters are also ready to welcome you to their cities and their ranks.

Your class, better than any other, understands the value of drive, resilience and camaraderie. Your inner strength and the support of the Pitt network are a powerful combination. Remember to lean on both should the journey ahead become difficult, and celebrate each victory you achieve along the way—may there be many!

Welcome to the family. **Hail to Pitt!**
