

BECOME A SPONSOR

AT OUR PREMIER HEALTH SCIENCE & BUSINESS CONFERENCE

Advancing and Scaling the Equitable Delivery of Patient-Focused Healthcare Solutions

October 24 - VIP Reception
October 25 - Conference

Alumni Hall
University of Pittsburgh

ABOUT

This exclusive, invitation-only conference gathers 150 distinguished leaders, including CEOs, CFOs, Chief Scientists, Chief Physicians, and Presidents from hospitals, pharmaceutical companies, medical device firms, health networks, insurance companies, and venture capital firms. The event also features researchers and scientists from academia and research centers.

Offered by **Pitt Business and the Innovation Institute**, the primary goal of the conference is to generate dialogue across biopharmaceutical and medical device firms, care provider and delivery organizations, and regulatory experts regarding major barriers to creating, translating, commercializing, and scaling healthcare solutions in the new era of patient-centric care and precision medicine.

The panel sessions will also focus on innovative efforts to deliver equitable access to care designed for specific patient sub-populations and communities.

WHY SPONSOR?

VISIBILITY

Showcase your brand to a targeted audience of healthcare leaders and decision-makers.

NETWORKING

Connect with industry experts, potential partners, and clients to foster new business opportunities.

THOUGHT LEADERSHIP

Position your organization as a leader in the healthcare industry by sharing your insights and innovations.

IMPACT

Contribute to meaningful discussions that shape the future of healthcare.
